96. **Obituary of George W. Gerber**

George W. Gerber passed peacefully in his sleep on Tuesday May 17, 2022, in Enumclaw, Washington, at the age of 90 years and three months. George was the youngest child of George Mahlon Gerber and Esther Wilhelmina Johnson, and the youngest of their nine children, all of whom are now deceased.

George was a loving husband and father of five children. He leaves behind his wife of nearly 70 years, Pat, along with their children and spouses: Don and Georgia Schoelz, Auburn, WA; Dennis and Teresa Gerber, Moses Lake, WA; Don and Sandy Gerber, Sachse, TX; Darryl and Ali Gerber, Boise, ID; and Phil and Gwenann Stewart, Enumclaw, WA. George also leaves ten grandchildren and spouses, and twelve great-grandchildren, all of whom will miss him dearly.

Born February 17, 1932, in Sweet Home, Oregon, George moved to Kent, Washington, in 1945 after World War II with his parents. He graduated from Kent High School in 1950, where he and Pat began dating while Pat was a freshman and George a sophomore. Right out of high school he began work at the Boeing Company, but the Korean War intervened. George proudly served in the United States Coast Guard aboard *The Magnolia*, a buoy tender based out of Oakland, California. On August 8, 1952, George married Patricia Ann Pike in Kent, Washington. He left active Coast Guard duty in 1954 and they moved from Oakland back to Kent, but he continued to serve in the Coast Guard Inactive Ready Reserve until 1958.

George and Pat lived in Kent nearly 40 years, during which time George built a beautiful family home on 244th Street. Moving from the "big house" he then built a lovely house in Ravensdale, Washington, where he and Pat lived for eight years before moving to Eagle, Idaho, in 1998. In 2009 they moved to Enumclaw, Washington, first living on Roosevelt Avenue, and finally living at High Point Village these last four years.

The son of a plumber, George often jokingly called himself a "jack of all trades and master of none." Yet he was truly skilled in many different areas. When George went to work for the Boeing Company, he first began work as a millwright, and later worked his way up into management where he supervised millwrights, carpenters, plumbers, electricians, welders, sheet metal workers and machinists, first as a General Supervisor in Maintenance and then as a Manager in Maintenance at Boeing's Renton Plant. George retired from Boeing in 1987 after 37 years.

George was an extremely talented craftsman, which was reflected in the two homes he built nearly single-handedly. After retirement, he became very skilled in wood carving, which is evidenced by the many high-quality, intricately carved walking sticks hand-crafted from Diamond Willow wood.

An avid reader, baseball fan, and lover of the outdoors, George especially loved hunting and fishing, spending many days with family and friends hunting deer and elk in the mountains of Washington and Idaho. There were also countless hours spent on the sea salmon fishing in Alaska and Washington, which recalled those youthful Coast Guard days on a buoy tender. These memories by those lucky enough to have spent time with him will never be forgotten.

George also loved to camp. First in a 9'x9' tent with wife Pat and five small children, later graduating to a tent trailer, and finally in a 33' fifth wheel where he and Pat travelled the United States for a year after his retirement from Boeing. The many years of family camping at the ocean and on the Middle Fork of the Teanaway River are cherished memories for the whole family.

There was always a twinkle in his eye when George was able to attend a baseball game. First it was at Sick's Stadium hosting the Seattle Rainiers and later the Seattle Pilots, followed by the Seattle Mariners in the King Dome and then Safeco Field. Win or lose, he never stopped watching, continuing to do so from his recliner at High Point Village.

To quote Louis L'Amour, a favorite author: "We are all on the way . . . A man is born beside the road to death. To die is not so much, it is inevitable. The journey is what matters, and what one does along the way. And it's not that he succeeds or fails, only that he lives proudly, with honor and respect, then he can die proudly." Live proudly he did. He earned the love and respect of his family, as well as from everyone he encountered.

Having been a lifelong member of the Church of the Nazarene, faith and belief in God were very important to George. The great patience God gave him made him a wise teacher, and he leaves a lasting example and legacy of faith to all his family.

In the end, as Kathleen M. Coelho wrote:

God saw you getting tired

when a cure was not to be.

So he wrapped his arms around you

and whispered, "Come to Me."

As for us, your loved ones: Your presence we miss, your memory we treasure, and it will be that memory we will carry forever in our hearts. We love you. You were a son, brother, nephew, uncle, husband, father, grandfather, and great-grandfather—you wore many hats, tackled many trades, and George, you did indeed master them all.

(A memorial service for George will be held on June 9th at 11 am at the Enumclaw Church of the Nazarene in Enumclaw, Washington. Private interment will be at Tahoma National Cemetery.).
